

Attention all local 4-8th grade homeschoolers!

2nd Annual Foothill Learning Academy Science Fair

**Foothills Church in Cameron Park
Saturday, March 28, 2020
2-5 p.m.**

Hands-On Science and Foothill Learning Academy are coordinating a science fair for all local 4-8th grade homeschoolers. Students will have the opportunity to create a science fair project, have it judged by people with science and engineering backgrounds, and receive awards.

Registration fee: \$15

Pre-registration before March 1 is required.

Hands-On Science is offering a two-part seminar for students/parents who would like help getting started on a science fair project. The fee for this two 2-hour seminar series is \$75 and includes the science fair registration fee.

For more information or to register for the science fair, please contact Lisa Hindmarsh at 530-313-3789 or lisahandsonscience@gmail.com
